Abraham Lincoln

When leaving his home at Springfield Ill., to be inaugurated as president of the United States, made a farewell address to his old friends and neighbors, in which he said, "Neighbors, give your boys a chance."

These words come with as much force today as they did thirty years ago.

How give them this chance? Up in the northwest is a great empire waiting for young and sturdy fellows to come and develop it and "grow up with the country." All over this broad land are the young fellows, the boys that Lincoln referred to, seeking to better their condition and get on in life.

Here is their chance. The country referred to lies along the Northern Pacific railroad. Here you can find pretty much anything you want. In Minnesota, and in the Red river valley of North Dakota, the finest of prairie lands fitted for wheat and grain, or as well for diversified farming. In Western North Dakota and Montana are stock ranges limitless in extent, clothed with the most nutritious of grasses.

If a fruit farming region is wanted, there is the whole state of Washington to select from.

As for scenic delights, the Northern Pacific railroad passes through a country unparalleled in crossing the Rocky, Ratter Root and Cascade mountains the greatest scenery to be seen in the United States from car windows is found. The wonderful bad lands, wonderful in graceful form and growing color, are a poem. Lakes Pend d'Oreille and Clear d'Alene are alone worthy of a transcontinental trip, while they are the Sherman's Ullin's Thule. The ride along Clark's Fork of the Columbia river is a daylight dream. To cap the climax, this is the only way to reach the far famed Yellowstone Park.

To reach and see all this, the Northern Pacific railroad furnishes trains and service of unsurpassed excellence. The most approved and comfortable palace sleeping cars; the best dining cars; that can be made; Pullman tourist cars good for both first and second class passengers; easy riding day coaches, with baggage, express and postal cars, all drawn by powerful Baldwin locomotives, make a train fit for royal travel.

Those seeking for new homes should take this train and go and spy out the land. To be prepared, we to

Adult-rated Wine

Is injurious, but nothing gives strength like a pure old port wine. "Royal Ruby Port" so called for its royal taste and ruby color, is particularly adapted for invalids, convalescents and the aged. Sold only in quart bottles, for one dollar, while cheap wine is sold by the gallon and gives a larger profit to the seller but less to the user. This wine is absolutely pure and has the age without which no wine is fit to use. Be sure you get Royal Ruby; \$1. in quart bottles, pints 60 cents. Sold by White & White, Thum Bros., Schmidt Leading Druggists.

Don't Get Imposed Upon.

Let a good motto to follow in buying a medicine as well as in everything else. By the universal satisfaction it has given and by the many remarkable cures it has accomplished. Dullam's Great German Blood, Liver, Stomach and Kidney Cure has proven itself unequalled for all diseases arising from impure blood. Do not experiment with an unheard of or untried article which you are told is as good, but be sure and get Dullam's. All druggists keep it.

Mothers and Daughters.

Over twelve years I was afflicted with a very serious female difficulty and for the last sixteen months was under treatment of three of the very best physicians that money could employ. Under their skillful treatment I gradually grew worse, until they decided they could render me no permanent help. One of my friends persuaded me to try a bottle of Dullam's Great German Uterine Tonic, and after taking three bottles, I can say I am in better health than I have been for twenty years, and am now 60 years old, but feel as young as at 30.
